Unfortunately we cannot always control the nature or accuracy of content provided by users in an interactive setting.

However, while we do our best to police the content managed by Assent, we encourage visitors to raise their complaints and concerns to be formally addressed by our staff.

2. Be sure to include:
 - a. The website address.
 - b. Specific page addresses concerned.
 - c. The nature of your concern.
 - d. Any action you propose to be taken.

How we will address your Concern or Complaint

Our staff will reply to your email as soon as they can.

In addressing concerns and complaints, we will consider the following:

1. Are we responsible for the content.
